

## USS Enterprise chandelier, lights up your house with geekiness

Tuesday, 23 February 2010

Do you need a good way to light up a room in your home from above?

Are you also looking to broadcast your love of Star Trek to everyone who comes over?

Then you are ready to read on. Just click on the link below!

Kill two birds with one stone with this USS Enterprise Chandelier! It only costs \$189 and a sizable chunk of your dignity.
